WELCOME!

We are on our way for the 2009-2010 season! On behalf of the Board of Directors of the North Jersey FSC, we wish you the very best for the upcoming skating year! Many of our club members have already had FANTASTIC results at various events such as Liberty, the Moran Memorial and Mid-Atlantics. Whether you're a competitive skater, a recreational skater, or Mom and Dad, skating can and should be a FUN part of your life!

Here are some important news items and dates to remember:

Website Update: Please be sure to check the club website: www.northjerseyfsc.org. We have updated the "look" of the site and have launched our first "functionality" update. REGISTERED users of the site who are member's in good standing of the club are now able to have a good standing letter e-mailed to them directly from the site! This is great for completing eligibility requirements to participate in tests, competitions, shows, etc.! (No more looking for the letter you accidentally discarded). You MUST be a registered user of the site FIRST. This function is listed under Membership. After registering and clicking on the link marked Eligibility, you will be prompted for your USFS membership number and your e-mail address. The letter is generated and sent to you via e-mail in minutes. NOTE: the e-mail address must be the one you gave us on your membership application. Another enhancement for registered users is the ability to send yourself a reminder from the calendar of important club dates.

NJFSC Membership: a Great Deal for All!

The new USFS skating year began on July 1, 2009!

We are happy to report that Family and Regular membership rates are unchanged from the 2008-09 year.

Please be aware of the following:

PARENTS: you MUST be a full club member in good standing to

have voting rights and a voice in the club. PLEASE join the club, we need to hear from you and YES, we need you to Volunteer.

Basic Skills Members: if you plan to test/compete in standard track USFS (Pre-Preliminary and above); YOU MUST be a full NJFSC member, not Basic Skills.

Tell your friends: there is no

better way for us to increase membership than to have our members tell their friends about us. Please let us know your comments; we are always interested in learning your thoughts!

1st Annual Skylands Basic Skills Competition will be held at Skylands Ice World on Sunday, December 6, 2009 from 7 am to 3 pm. This is a great opportunity to compete (up through preliminary). The application is available on the web site www.northjerseyfsc.org. Look at the hotlink or go to the competition page. We will need volunteers and skaters 16 years and older may have an opportunity to judge.

The North Jersey FSC Annual Holiday Show will be held at Skylands Ice World on **Sunday, December 13, 2009 at 2 pm**. If you want to participate in the show, please let Rick know via e-mail at rfskate@optonline.net. We had a GREAT time last year (in the ice storm!) so let's do it again!

NJFSC is the culmination of over 80 years of skating activities. Originally called the Figure Skating Club of Northern New Jersey, the Club was established as an unincorporated association in 1933. It incorporated as a non-profit organization in 1961 and moved to the Fritz Dietl Ice Arena in Westwood, New Jersey. Other partner ice rinks are Ice Vault Arena in Wayne, NJ and Skylands Ice World in Stockholm, NJ and Floyd Hall, Little Falls, NJ.

The club is a member of the United States Figure Skating Association, the governing body of competitive figure skating in the United States. Past club members have become Olympic, World, and National medalist and team members.

The club is governed by a Board of Directors and officers include President, Vice-President, Treasurer and Secretary. These are the key characteristics of our club:

Skating is for **ALL**. We believe the club is for both competitive and recreational skaters, young and old.

Service. The club is to serve the membership and the facilities in which they skate.

Volunteerism. It takes volunteers to run the club.

Sustainable. The club must be here for another 50 years and beyond. In order to accomplish this, it must be run in a fiscally sound manner.
